Creative, Cozy, Comfortable: K-12 on One Site

by **Andrea Schrock '82 Wenger**

This fall marks the first time that all grades K-12 are on one campus... and in one building! After 13 years of growth off site, the elementary grades moved into the main building at 801 Parkwood Drive for the school year while expansion and renovation is completed on the adjacent former MennoMedia building and property (See Let the Children Come Update, p. 2).

The summer was abuzz with teachers and staff showing creativity and collaboration:

- Upstairs wing of the new section of the building was vacated to make room for elementary classrooms.
- Upper level teachers who had been in that wing, moved rooms to partitioned areas of the dining hall and elsewhere in the building.
- Elementary teachers sorted and moved from the Route 11 site.

Let the Children Come! A Campaign Update

Through generous gifts, **we have raised just over \$3 million** toward our goal of \$4.2 million for the Let the Children Come campaign. Thank you! The campaign was launched in fall of 2017. Here's what's happened since then:

- Clearing out the former MennoMedia building and Alive Studios, salvaging as much materials and equipment as possible.
- Asbestos abatement.
- Removal of large trees along the east of the building, necessary due to structural issues caused by root system (the trees are being used for climbing equipment and other uses in the new elementary outdoor learning space).
- Demolition of interior walls, ceilings and floor coverings.

Thanks to the secured funding, we are beginning work on:

- Demolition of the music studio.
- Shoring up the original structure, built in 1966.
- Renovation of classroom space on first and second floors.
- Addition of a welcoming entrance and front office.

- Upgrading HVAC units with more energy efficient systems.
- Replacing the roof.
- Opening interior walls to allow in natural light.
- Addition of a floor in the two-story warehouse space.

Additional gifts of \$1.2 million raised by Dec. 31, 2018 will fund:

- The Christopher Robin Gathering Space, named in honor of Chris Mast '84, an early visionary for the elementary school. The space – energy efficient with solar panels – will be used for elementary gathering before school, after-school care, lunch, community programs, mixed grade activities, and a beautiful venue for rental purposes.
- A covered wooden foot bridge connecting the two campuses to enhance community space and outdoor learning.
- Paving of the parking lot east of the existing gym.

Alumni Touring Choir Romania Trip, Summer 2020?

Interested in joining a two-week alumni touring choir trip to Romania in April 2020? We are testing interest to begin planning. Minimum requirement of four voices per part. Participants must have sung in an EMHS Touring Choir (Miller, Hartzler or Stutzman). Spouses who are not alumni or former choir members are welcome after enough spots are filled with needed singers.

- Led by Jay (long-time choir director) and Sheri (accompanist) Hartzler, who have been serving in Romania in recent years.
- Two-week tour includes: rehearsal, sightseeing, historical overview, programs in Cluj, Oradea, Sighisoara, Tigmandru, Brasov.
- Participants would meet up and depart from Bucharest, planning and purchasing their own airfare (approximately \$1,000).
- EMHS fee of \$2,000 to \$3,000 includes all in-country costs (travel, lodging, meals, tour guides).
- Proceeds from the trip will benefit the ongoing music program of Eastern Mennonite School.

Contact the alumni office to indicate your interest. Include voice part and whether you would want to bring a spouse. Email alumni@emhs.net or phone 540-236-6025.

Fifty-four former Touring Choir members spanning four decades practiced over the summer for a program in August to benefit the work of Jay and Sheri Hartzler in Romania. Check out the glorious sound at www.emhs.net/alumni/alumnichoir.cfm

Let your light shine!

by Elwood Yoder

This fall, the class of 2018 is letting their light shine at 25 different colleges and universities, in various workplaces, and in service assignments around the globe. Susan Melendez helped to launch the cohort onto their journey beyond EMS during last spring's graduation weekend when she challenged them with Jesus' call to "let your light shine before others" (Matthew 5:16).

The seniors had selected their former sixth grade teacher to speak in their last chapel service at EMHS. Mrs. Melendez was a new teacher at EMS in the fall of 2011 when the seniors entered her classroom, so they shared a special bond.

Mrs. Melendez encouraged the seniors to have faith in God to lead them, to use their gifts and talents to glorify the Lord, and to let their lights shine brightly. The theme carried throughout the weekend as baccalaureate and commencement speakers challenged graduates to better humanity and build up God's kingdom. In their class song, the graduates from the 100th EMS class declared that they

would serve the Lord with all their hearts. In their class Scripture, they affirmed that all things work together for good for those who love God, who are called according to his purpose (Romans 8:28).

Teachers – lifelong mentors and cheerleaders – line the walkway to celebrate the class of 2018 following commencement.

(continued from page 1)

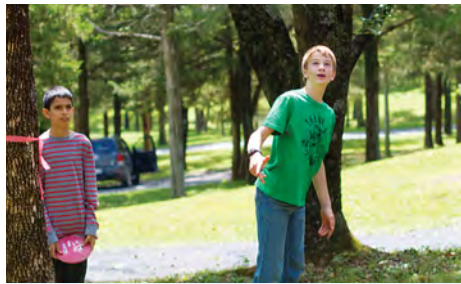

- Teachers, staff and students cleaned up the tennis court area to create outdoor elementary learning space, including a gaga court.
- Library staff and volunteers created beautiful facilities for library needs for all levels.
- Facilities staff and student workers hauled, lifted, painted, cleaned, organized and made it all work.
- Dining hall staff developed systems to accommodate K-12 lunchtime needs.

By day one, all was ready to welcome the nearly 350 students who make up our community!

During our first K-12 convocation, each student received a tile/stone/button to symbolize how each person contributes to the whole. During the service, students and staff put their unique piece in a jar to create one beautiful piece. Readers from each division shared Scripture and we learned American Sign Language to “Jesus Loves Me.”
