

Thank You

1. Thank you for giving me the morning,  
Thank you for every day that's new,  
Thank you that I can know my worries  
Can be cast on you.
2. Thank you for all my friends and brothers,  
Thank you for all the men that live,  
Thank you for even greatest enemies  
I can forgive.
3. Thank you for many little sorrows,  
Thank you for every kindly word,  
Thank you that everywhere your guidance  
Reaches every land.
4. Thank you, I see your Word has meaning,  
Thank you, I know your Spirit's here,  
Thank you, because you love all people,  
Those both far and near.
5. Thank you, O Lord you spoke unto us,  
Thank you that for our words you care,  
Thank you, O Lord you came among us  
Bread and wine to share.
6. Thank you, O Lord your love is boundless,  
Thank you that I am full of you,  
Thank you, you make me feel so glad  
And thankful as I do.

All My Trials Lord

*All my trials Lord, soon be over.*

I had a little book that was given to me,  
And every page spelled liberty.  
*All my trials Lord, soon be over.*  
Too late my brothers, too late, but never mind.  
*All my trials Lord, soon be over.*

If religion were a thing that money could buy,  
The rich would live and the poor would die.  
*All my trials Lord, soon be over.*  
Too late my brothers, too late, but never mind.  
*All my trials Lord, soon be over.*

There is a tree in paradise,  
The Pilgrims call it the tree of life.  
*All my trials Lord, soon be over.*  
Too late my brothers, too late, but never mind.  
*All my trials Lord, soon be over.*

The Sound of Silence

Simon, arr. D. Seitz  
guitar, Dan Leichthy

Hello darkness, my old friend  
I've come to talk with you again,  
Because a vision softly creeping,  
Left its seeds while was sleeping,  
And the vision that was planted in my brain  
Still remains within the sound of silence.

In restless dreams I walked alone  
Narrow streets of cobblestone,  
'Neath the halo of a street lamp,  
I turned my collar to the cold and damp,  
When my eyes were stabbed by the flash of a neon light  
That split the night,  
And touched the sound of silence.

And in the naked light I saw  
Ten thousand people maybe more.  
People talking without speaking,  
People hearing without listening,  
People writing songs that voices never share,  
And no one dare disturb the sound of silence.

"Fools" said I, "You do not know  
Silence like a cancer grows.  
Hear my words that I might teach you,  
Take my arms that I might reach you."  
But my words like silent raindrops fell,  
And echoed in the wells of silence.

And the people bowed and prayed  
To the neon god they made.  
And the sign flashed out its warning,  
In the words that it was forming.  
And the sign said, "The words of the prophet  
Are written on the subway walls and tenement halls  
And whispered in the sounds of silence."
